A cross-platform hybrid mobile app; an intuitive search tool that quickly and easily connects EMS team members to the information and resources they need to administer proper patient care.

Leardership **Multi-Cultural Student Center (Ambassador)(2015-Present)**
Promote campus-wide awareness of multicultural, diversity and human relations related issues, through education, training, community service and programming.

Conferences **Apple World Wide Developers Conference (WWDC17)** San Jose, California June 4th – 11th , '17
Getting first dibs on Apple New Technology and new software implementations, working closely with Apple engineers beta testing the newly announce software that helps developers/Programmers life easier to develop apps for iOS, macOS, tvOS, and watchOS.

TMCF OFC Entrepreneurial & Innovation Program/Conference May 19, 2017 – May 24, 2017
This conference is a blend of two worlds. It is a place where technology meets business acumen connecting "techie" students, i.e., those who have an interest in building mobile apps and developing and utilizing their technical skills, with the more "business-minded" students who are aspiring entrepreneurs. This unique environment provides fertile ground for the growth and development of startups.
Financial Futures Youth Institute: Business Development June 7th – 21st , 2013

Orgs Association of Computer Machinery (2016-Present) – Charles Hamilton Houston Foundation (2016-Present) – National BDPA Information Technology Thought Leaders (2017-Present)
